### Some useful instructions :

The test is divided in 2 main parts. In the first part, you will be together with other applicants for some various tests.

1. Multiple choice questionnaire grammar/vocabulary (10 minutes) ;
2. Multiple choice questionnaire R/T (10 minutes)  
**this part is mandatory as of 2016; do not forget to go through relevant procedures and rules regarding R/T.**
3. ATC audio tape: A text will be provided with gaps and you will have to complete these gaps , you can use your own words , ex : OVC or overcast, SCT or scattered, ALT or altitude , etc.(10 minutes)

The second part will mainly consist of an interview. During the interview the assessor will ask you some questions, you can talk about whatever you want: job, family, hobby, sports, flying, etc. This session will be recorded on video for BCAA.

During the test you will be assessed on six different areas: pronunciation, structure, vocabulary, fluency, comprehension and interaction. You will be judged on a scale from 1 to 6, 6 being the best, in each area. The total score will equal the lowest score in any of the six areas.

More detailed info can be found on [https://mobilit.belgium.be/nl/luchtvaart/vergunningen/language\\_proficiency](https://mobilit.belgium.be/nl/luchtvaart/vergunningen/language_proficiency)

At no time during the test will you be judged on your technical knowledge. You will only be judged on your language proficiency. During the test you are welcome to take the initiative to ask questions and clarifications if there is something you don't understand or if you are uncertain about what you are expected to do.

The test on Saturday 22/12/2018 will start for group 1 at 14.00h, if there is a group 2 at 16.00h
